DETAILS

There's nothing wrong with yet another follow-up to a bestselling series, is it? Well, that's exactly why Oliver Schmitt aka Sounds of Revolution locked himself up in the studio again, hunting with the latest armory for even greater, fresher, punchier and all-gooseflesh techno sounds.

Distributed by Resonance Sound, Minimal Techno Revolution Vol.3 covers special organic sounds (e. g. live drums, live bass loops, field recordings) right next to all-time favorites such as true analog drums, SID samples (C64-style), loads of drum loops with/without kick and a variety of carefully processed vocals.

Missing something? How about kit loops for starters, dark and mystic atmospheres, hypnotic bass and synth loops, semisynthetic field recordings or never-heard fx sounds shaking the ground to its every bit? Have a listen to the demos below - Minimal Techno Revolution 3 easily proves once again that skillful attention to detail translates into a unique, creative and handy addition to any electronic music producer's toolkit.

To add a little tech talk, this massive sample pack delivers more than 1.400 samples at 24-bit WAV quality and including all common sampler formats (REX Stylus-ready, EXS24, Kontakt). As usual, they are sorted into categories, incl. root key (if applicable) and designed with sufficient headroom to perfectly fit into your arrangement. We're sure you'll find your studio chair even more comforting once you got your hands on this package - but please don't blame us for not managing to leave it any time soon! ;-)

SOUNDS OF REVOLUTION

PROFESSIONAL SOUND DESIGN

Oliver Schmitt, a well established German based sound designer and mastermind behind the renowned sound forge SOUNDS OF REVOLUTION (SOR) has already made a well accomplished name for himself as a designer for sound patches for Synthesizer including JP-8000, Virus, Vanguard, Nordlead and many others.

The sample pack series has received critically acclaimed reviews from both national and international music magazines and press. His work is backed up by a long list of testimonials from cutting edge artists including Tiesto, Adam Beyer, Cosmic Gate, Blank & Jones, Martin Buttrich, Jason Nevins or Markus Schulz to name but a few.

SOR is the definitive in one solution for electronic music production, no matter which genre of dance you prefer!
